

Griffith Fire Department Annual Chili Cook-Off 2017

Valley Fire Indiana will be participating again in the 2017 Chili Cook-Off for the Griffith Fire Department. This event not only gives us the opportunity to mingle with our fellow fire fighters, but also to help raise money for a **GREAT** cause. All the money raised with the cook-off and silent auction goes into a fund for the families of fire fighters that have been injured or have lost someone in the line of duty.

Below is the information if you would like to stop out and see us.

When: Saturday, April 1st

Time: Noon-3:00pm

Where: Griffith Fire Department Station #3

Just north of Ridge Rd

Griffith IN 46319

Jim Burns and Michelle Porter will be making the chili for the competition. There will be one mild and one medium. So if you are available, please stop by, judge the chili and help us raise money for this wonderful cause.

If anyone has any questions, please call Michelle Porter at any time.

Thank you for your support.
